# YOUR NEW COMMUNITY INCLUDES:

- Welcoming common areas
- Trained staff on site 24hrs a day
- Emergency call light system
- 3 delicious meals and snacks daily
- Enriching daily activity program
- Beautician services
- Housekeeping and laundry services
- Support and assistance with tasks such as: dressing, bathing, grooming, medication, and transportation

Our carefully selected staff are equipped to assist residents with activities of daily living such as dressing, bathing and management of medication.

Each resident is encouraged to select their own agenda and activities, while feeling secure in knowing that we're there to provide support when needed.

Sapphire at Valley View offers an assisted living and memory care program built around each individual's life history, heritage, current abilities and interests, this "person-centered" approach allows us to care for our residents as we would a beloved family member.
